Medication Authorization Form Field Trip Release

- ❖ Independent, self-directed students may ***self-administer*** medications on the field trip with both Dr. & Parent permission.
- Medications must be contained in the ORIGINAL, LABELED CONTAINER. (no baggies or mixed medication bottles!)
- *OVER THE COUNTER MEDICATIONS* MUST FOLLOW THE SAME PROCEDURES AS PRESCRIPTION MEDICATIONS!
- YOUR DR. MAY FAX THE PERMISSION. Fax # 695-1618
- Parents/Guardians **MAY** administer medications to their child or designate a responsible adult if they prefer.
- ***UNAUTHORIZED MEDICATIONS*** **ARE NOT ALLOWED INTO THE SCHOOL BUILDINGS or ON THE FIELD TRIP**.
- ***NO MEDICATIONS MAY BE SHARED***. **School Drug Policy Applies.**

It is required to have written notification of **all** medications needed during the field trip. *Please be aware that over the counter medications, such as Tylenol, Pamprin, etc. are subject to the same regulations as prescription medications!!*
